

Welcome to the Saranac Lake region!

The spectacular lakes and mountains of the region are home to many artists who draw inspiration from their surroundings and the support of a lively community. **Saranac Lake ArtWorks** creates opportunities for art businesses and artists to thrive, while providing a rich diversity of events for residents and visitors.

This is your comprehensive **Arts Directory**. The 18"x24" poster inside introduces all the professional level member artists for 2017.
